

Notes:

All shade runner guide wire canopy systems are made in 60" panel widths OR 120" panel widths OR can be custom made to your panel width dimensions for an additional 10%. Pricing below is for 60" panel widths. For a quote for 120" panel widths please call (866) 438-2964 or (305) 628-2424
 Shipping/handling excludes Puerto Rico, Alaska, Guam, Hawaii and all other countries. Call 1-866-438-2964 or (305) 628-2424 for a shipping quote for these locations.

Optional Items

Base price below includes our standard grab handle loop to extend and retract. See bottom of chart for our optional pulley system to open and close.

Also see bottom of price list for optional stationary and retractable drop valances

More options will be available in 2017
